 - b. Our school participated in the Terry Fox Walk in the community with Emerson School. We started with a virtual assembly, then met Emerson staff and students in Bunn's Creek to share messages of Hope on our large Terry Fox posters.
 - c. Our classrooms have been enjoying nature and learning outdoors these past weeks.
 - d. Builder's club and gym intramurals have also begun this month.

2. First Forest Friends activities
 - a. We concluded our week of learning supporting National Truth and Reconciliation Day with our first Forest Friends activity. Students were grouped into multi-grade groups to listen to stories about reclaiming voice, complete a craft, and honouring those impacted by residential schooling.
