Your signature at the bottom of this form confirms that you are aware of the information in this letter.

The River East Transcona School Division and the staff of Bertrun E. Glavin School recognize that valuable and unique learning can take place outside of the school building. We are therefore encouraged to make use of the total resources of the local community to meet curriculum goals.

While participating in school activities, which take them into the community, it is expected that students will conduct themselves appropriately during all aspects of schooling.

If, for some reason, your child cannot or ought not participate in activities of this nature, please let us know.

I/We understand and agree that this is a part of the school program. Smudging

Smudging is a purification ceremony that has its roots in the Indigenous cultures of the world. We will smudge using sage; it produces a strong and distinct odour, but the smoke associated with it is minimal and last a very short time. The sage is placed in an abalone shell and lit with matches. The smoke is pushed forward using an Eagle Feather. When we smudge we first clean our hands with the smoke rising from the bowl, as if we were washing our hands. We then draw the smoke over our hearts, our mouths, eyes, ears and our feet.

We smudge our hearts to open it up to compassion and to have good thoughts about others

We smudge our mouths so that we will only speak of good things about others

We smudge our eyes so that we will only see good things in others

We smudge our ears so that we will only listen to good things about others

We smudge our whole being to our feet so that we may portray the good part of our self through our actions.

Students given permission to participate will be invited to stand around the smudging circle. They may choose to smudge or to say "pass" when it is their turn if they are more comfortable just observing. Students without permission to smudge will not be made part of the circle.
