## Principal's News

Dear Parents and Guardians,

We have come to the successful completion of a busy fall term. Our students have been working hard and we appreciate all of your efforts in helping them achieve their goals.

Congratulations and thank-you to all staff members and students who have contributed to the school life at Munroe by giving their time and efforts to the extra-curricular programs.

The staff and students would like to take this opportunity to thank and congratulate our Library Technician, Mme. Chabbert, on her upcoming retirement from the school division. Mme. Chabbert has been working in Munroe's library for the past six years and within the school division for the past 21 years! Mme. Chabbert is looking forward to being able to spend more time with her grandchildren. Our happy thoughts will be with her on January 7<sup>th</sup> as she enjoys her first day of retirement! Congratulations!

At Christmas break we will also bid farewell to Mr. Siaux. We thank him for all of his efforts in helping the Grade 8 French Immersion students achieve their academic success. We welcome back Ms. Ambrose from her leave of absence on January 7, 2013.

We can't fail to also mention how much we have appreciated the help of Ms. Samson in our front office! Ms. Samson has come out of retirement for a short time to help us out and will be leaving us over the Christmas break to enjoy some much warmer weather down south. Thank-you so much, Ms. Samson!

The Province is implementing a new report card format which the River East Transcona School Division has adopted this school year. If you have questions, the Province has published a brochure for parents which can be reviewed or downloaded at:

## GENERAL SCHOOL NEWS

### SOBEYS GIFT CARD FUNDRAISER

Thank you to all families who participated in the Sobeys fundraising campaign; the support is greatly appreciated and valued! We raised a total of **\$956** which will help us to purchase items or offset the cost of events/activities that will benefit all of our students.

Participating students' names were entered into a draw to win one of three \$25.00 Kildonan Place gift certificates. Congratulations to our winners: Isabella S. (7D), Cooper K. (9D) and Zach R. (9B)!

Ms. Nick-Johnson

### School Wide Positive Behaviour

One of our school goals at Munroe is for students at all grade levels to demonstrate respectful, safe and responsible behaviour toward self, others and property. This year we are focusing on the virtue of respect.

At the onset of the school year, each homeroom spent time discussing and agreeing on what respect should look, sound, and feel like in classrooms. Both student and teacher input was charted and placed in a prominent location in each class. Ongoing activities throughout the year will give students a chance to reflect on what is going well and what needs improvement.

Students and staff participated in an assembly on November 13<sup>th</sup> to kick off our *Respect in Hallways* blitz. If students were caught in hallways *helping others, keeping hands and feet to self, using polite language, or greeting one another*, they received a ticket of recognition. Each day, two tickets from each grade level were pulled and the recognized students received a prize. Our *Respect in Hallways* blitz concluded on November 23<sup>th</sup> with an assembly and pep rally to celebrate all of the positive things that have been happening in our school. Students and staff were encouraged to wear pink to unite in celebrating diversity and raising awareness to stop all forms of bullying. At the conclusion of the assembly, respect tickets were drawn and six students were the recipients of \$25.00 Kildonan Place Gift Certificates: Grade 7: Jheric M. and Ben S.; Grade 8: Leya F. and Brent P.; Grade 9: Jakob L. and Braeden M.

Our school will continue to build on the virtue of respect throughout the school year.

### Take Your Kids to Work Day

On Wednesday, November 7<sup>th</sup>, 2012, the Grade 9 Munroe students participated in *Take Our Kids to Work Day*, a Canada-wide program designed to provide students with career experiences. Our students had the pleasure of helping out and experiencing careers in textiles, health care, education (from elementary through college), construction, confectionaries, hospitality, restaurants and a variety of large and small businesses. Throughout the day, their grade 9 teachers enjoyed driving around the city and visiting the students at their workplaces. After speaking with our students out in the workforce, many of them were very grateful to return to school and were very appreciative of what their parents, family and friends experience on a daily basis.

Thank you to all who took part and for taking our kids to work!

## We Care Update

*We Create Change!* students at Munroe are collecting all your unwanted pennies. These pennies are being collected to support our ongoing project of providing clean water to the African community of Makeni, Sierra Leone. Students will be filling bags with \$25-worth of pennies; our goal is to fill 15 bags with pennies before Christmas. Please send in all the pennies you can!

Twenty-eight fortunate students were able to attend this year's We Day on October 30<sup>th</sup> at the MTS Centre. This year's event was headlined by Nobel Peace Prize recipient and former president of the USSR, Mikhail Gorbachev. His soft-spoken manner and speech spoke very powerful words with a message that peace is an absolute necessity. Other speakers and performers were Spencer West, Hannah Taylor, Victoria Duffield, Robb Nash, All Star Weekend and Shawn Desmond.

We Scare Hunger campaign managed to bring in over 350 non-perishable food items for Winnipeg Harvest. Well done!

Mr. Coppinger

## We Need Your Old Bicycles!

The grade 9 Wilderness Outdoor Ed course needs old bicycles for parts. Starting in January the class will be repairing and rebuilding bicycles. We are focusing more on mountain bikes, but any bike will be accepted and used for the program. If you have any old, unused bicycles lying around, please contact Mr. Coppinger or Mr. Bezte at the school and we will happily pick them up.

Thanks!

## FRENCH IMMERSION NEWS

Félicitations aux élèves en 7<sup>e</sup> année! Nous avons fini nos six semaines d'apprentissage du français! Les 7<sup>e</sup> sont maintenant immergés dans le travail de mathématiques, français, sciences humaines et sciences de la nature. Les élèves ont présenté leur travail à leurs familles durant la célébration des six semaines de travail le 11 octobre.

Congratulations to our grade 7 students who have recently finished their six weeks of French language acquisition! Now that our students have acquired some skills in understanding French, we are now putting those skills to use by working on the Mathematics, French, Social Studies and Sciences curricula. We celebrated this occasion with an evening of snacks and juice October 11<sup>th</sup>. The students each presented some of their work to their families while speaking French. Job well done!

## French Immersion Field Trip News....

Our grade 7, 8 and 9 French Immersion students and grade 9 Basic French students each participated in the French Film festival at the Globe Theatre at Portage Place in late October. The annual film festival called "Cinémental" gives our students a chance to view an authentic French film. After the film our grade 8 French Immersion students and grade 9 Basic French class traveled to Chez Cora at the Centre Culturel Franco-manitobain for a French dining experience.

## How to successfully learn a new language

Our philosophy is that a student best learns an additional language by consistently communicating and studying in that language. We recognize that to become bilingual, we need to practice our French language skills at every available opportunity. For our students, learning a second language requires effort and commitment. For us, helping students to develop a sound working knowledge of the French language is a priority.

As parents and teachers, we need to work in partnership in order to encourage our students to regularly use French at every available opportunity. In the end, it is the students who will benefit from our commitment to this goal. The expectation is that students communicate in French in class, in the hallways, during in-school and out of school activities and with all of their French Immersion teachers.

To help your child improve their French language skills you can:

- Talk to them about why your family chose late entry French Immersion
- Express your interest in the French language and French culture
- Take them to French cultural activities like the French-Canadian pavilion at Folklorama or the Festival du Voyageur in February
- Visit the French section of the public library
- Watch a French TV show, listen to a French radio station such as Envol 91.1 FM or tune into the French track of a DVD
- Listen to them speak and read in French and comment on their progress
- Encourage their participation in class and to be engaged learners
- Set aside regular homework time so your child can review the vocabulary by practicing their pronunciation in addition to completing any assigned work
- **Encourage them to take risks when they speak and to always speak French with their teachers...**

Nothing is gained when no effort is made.....

French Immersion Team Leader,  
Mme. Lépine

## NEWS FROM THE GYM

### The Munroe Stingers Report

This has been a busy time for the PE / Athletics program at Munroe. The Stingers' volleyball teams are finished their season. Each team member needs to be congratulated on their commitment to their teams. Way to go Stingers!

We are also just starting up our second intramurals of the year which is a floor hockey tournament. Students have signed in as teams to take part in this fun way to be active during the school day. Games are taking place every day 1, 3 and 6 during the second half of lunch. The gym is always packed during this time with players and spectators anticipating which team will be crowned the Stingers' Floor Hockey Champs.

In PE we are looking forward to December because we will be spending a couple of weeks building understanding about what it is like for people who live with disabilities. We have organized a PE unit where students will participate in games played by people with disabilities; for example, the Manitoba Wheelchair

Society will be coming to demonstrate wheelchair basketball which will then be played in gym classes. What's more, the National Institute for the Blind is lending us equipment so we can play specialized games meant for blind people. On Tuesday, December 11, the whole school will be part of a presentation for sledge hockey in Manitoba, after which the grade 9 students will be going to River East Arena to play this sport. Should be fun! We are looking forward to making this unit successful and a character-building experience for the students of Munroe Jr. High.

Mr. Bargaen and Mme. Penner

## NEWS FROM THE MUSIC ROOM
