

STAFF DRESS CODE

---

The River East Transcona School Division believes that staff members serve as role models for students. As role models, they should maintain professional standards of dress and grooming. Just as overall attitude and instructional competency contribute to a productive learning environment, so do appropriate dress and grooming. It is an expectation of the division that all staff during working hours wear clothing that demonstrates their high regard for education and presents an image consistent with their job responsibilities.

Division administrators will have the authority to address inappropriate attire in their workplace. Subject to approval by the superintendent or designate, division administrators may develop and adopt specific dress code standards for their own workplace.
