

# HOMESTAY FAMILY APPLICATION

Thank you for your interest in hosting an international student attending the River East Transcona School Division International Education Program! We look forward to welcoming you to our program.

1. Please complete all sections of the Homestay Family Application.
2. It is important to provide information in as clear a way as possible, keeping in mind that abbreviations, acronyms or slang terms will not be understood internationally.
3. Should you have any questions or require further clarification, do not hesitate to contact us at 667-7130 or [homestay@retsd.mb.ca](mailto:homestay@retsd.mb.ca).
4. One of our program team members will contact you to arrange a suitable time for the initial screening process and visit to your home. This visit will take approximately one hour. While we realize it may not be possible for all family members to be present during this visit, your efforts to include as many family members at this time are appreciated. (Please note: the homestay family is responsible for informing the program of any change in status of their family after submission of their application.)
5. Along with the completed application, please write and attach a separate, one-page letter of introduction that describes your family and the individual members of your family, including interests, family habits and routines, lifestyle, etc. Keep in mind that this letter will be shared with your international student and his/her family in their home country. The letter should provide information that you would be interested in knowing if the situation were reversed and you were the parent of an international student, sending your son or daughter to study in Winnipeg.
6. Please note that an international student cannot be placed in your home without all the appropriate documentation returned to our office substantiating that the mandatory screening checks are complete (criminal record check and child abuse registry check).
7. The River East Transcona School Division International Education Program cannot guarantee placement of an international education student in your home. Suitable matches are based on information provided by both the potential homestay family as well as the international student and are at the discretion of our homestay staff.

## Agreement of Terms

Please check in support of the following:

- I have read and understood the Homestay Fire and Safety Agreement
- I understand the importance for the safety of my family and the international student(s) to respect these fire and safety measures.
- I agree to meet the fire and safety requirements stated in this agreement in order to ensure the safety of all the inhabitants of my home and to abide by the requirements of the Homestay Program.

I have read and understand the written information provided in this Homestay Fire & Safety Agreement and agree to abide by the terms of that information. I declare that all the information provided in this application is accurate, and understand that any misinformation will invalidate this application. I understand that if I choose to not comply with any of the items above, I cannot be considered for a placement of an international student.

## Homestay Program Liability

The River East Transcona School Division International Education Program presents a wonderful opportunity for families in the community to share their home and lifestyle with students from around the world. It also exposes the family to the language and culture of the student they are hosting. However, as with all homestay programs worldwide, there is liability that is assumed on the part of the hosting family.

The RETSD International Education Program is committed to assisting its homestay families in recovering costs that may be associated with loss or damage caused by a person residing in their home who is not a family member. However, River East Transcona School Division is neither liable nor responsible for such loss or damage.

It is understood that families in the Homestay Program are responsible for securing their own insurance coverage in reference to hosting a person in their home who is not a family member.

River East Transcona School Division strongly advises that each homestay family contact their insurance company/provider to confirm that:

- They are properly insured for any loss or damage caused by a person residing in their home who is not a family member.
- Their insurance policy protects them in the event that a person residing in their home who is not a family member and/or the biological parents of such a person under the age of 18 years seek legal action against them.

My/our signature(s) below indicate that I/we have read and understood the above.

## Criminal Record Check

The River East Transcona School Division International Education Program requires all applicants to submit a criminal record check for all members of the household who are 18 years of age or older.

*The criminal record check must be dated within one year of your Homestay Family Application and is valid for three years.*

Upon presentation of the original criminal record check, a photocopy will be made, stamped “certified copy” and placed in your file. Feel free to turn in your Homestay Family Application with the record checks to follow at a later date.

For more information about how to apply for a criminal record check, visit the Winnipeg Police Service website at [www.winnipeg.ca/police](http://www.winnipeg.ca/police). Applications are subject to a processing fee.

## Vulnerable Sector Search

When filling out the application, you will have the opportunity to give police permission to do a vulnerable sector search. Due to the fact that the Homestay Program regularly involves minors under age 18, all applicants must consent to and clear a vulnerable sector search, as requested by the province of Manitoba.

NOTE: By consenting to the vulnerable sector search, you are in no way implying that you have a criminal record or that you have committed an offense. You are simply indicating to the police that you will be working with minors and that a vulnerable sector search is required.

## Child Abuse Registry Check

The River East Transcona School Division International Education Program also requires all applicants to submit to a child abuse registry check for all members of the household who are 18 years of age or older. The child abuse registry form can be completed at the time of the home visit or through our office.
