

**ALCOHOL AND DRUG ABUSE
STUDENT RE-ENTRY FORM**

The River East Transcona School Division recognizes that the use of illegal or unauthorized drugs, cannabis or alcohol is harmful to the mental and physical health of students and to their educational and social development. Moreover, use of drugs or alcohol is deemed to be harmful not only to the user but also to those around the user. Because such behaviour is dangerous in the school, the use or possession of unauthorized drugs or alcohol in or on school property or at any school-sponsored event is strictly prohibited.

I, _____, of _____ (school), understand that I have violated the drug and alcohol policy of the River East Transcona School Division. As of this date, while attending any River East Transcona school:

- I will not use or possess any drugs or alcoholic beverages;
- I will not be under the influence of any drugs or alcohol;
- I will not use or possess any drug paraphernalia.

I will complete all the requirements for re-entry to school that may be outlined by the school division. I will attend a scheduled appointment with a Community Addictions Worker for an assessment and attend any follow-up sessions as required.

I understand that a **further offence** under the divisional drug and alcohol policy will result in a further suspension from school and may include other consequences. I understand these consequences may include but are not limited to the following:

- a discipline review by the divisional screening committee;
- evidence of successful completion of a counselling program;
- suspension for the remainder of the semester or term;
- suspension for the remainder of the school year;
- expulsion from the River East Transcona School Division.
