

USE AND RENTAL OF SCHOOL BUILDINGS AND FACILITIES

School buildings and facilities of the River East Transcona School Division are intended to be used primarily for educational needs of the division, but the division encourages and makes available its facilities for community use to organizations and groups as much as possible within certain parameters.

- (1) The priority order for the use of school buildings and facilities is as follows:
 - (a) school programs/activities for students;
 - (b) school division programs/activities (e.g. Continuing Education);
 - (c) before and after school programs, school age centres, and nursery schools;
 - (d) City of Winnipeg Parks and Recreation programs, community support groups such as scouts, brownies, guides, cadets, boys and girls clubs of Winnipeg and Special Olympics;
 - (e) City of Winnipeg, Rural Municipality of East St. Paul, and Rural Municipality of St. Clements community centres within the boundaries of the River East Transcona School Division;
 - (f) community organizations providing activities where the majority of participants are division residents (activities for youth/students will be given first priority);
 - (g) general public providing activities where the majority of participants are division residents.

As well, every effort will be made to provide early evening time slots for activities and programs for children under ten years of age.

The use of school buildings and facilities as polling stations for federal, provincial, and municipal elections shall supersede all of the above.

- (2)
 - (a) A School Use form (KF-E2) must be completed by the school for activities that take place after 6:00 p.m. on school days or for days or evening use on non-school days.
 - (b) A Permit for Public Use of Property (KF-E3) must be obtained for any event that is scheduled outside of regular school hours. A processing fee will be collected at time of application.
- (3) The school division shall not assume any additional costs as a result of making its facilities available for community use.
- (4) Any cost resulting from damage to school property will be charged to the permit holder.

USE AND RENTAL OF SCHOOL BUILDINGS AND FACILITIES

- (5) The use of school division facilities will be administered as outlined in Regulation KF-R – Procedure Regarding Use and Rental of School Buildings and Facilities and Exhibit KF-E2 – School Use Form.
- (6) Use of school buildings and facilities for community organizations will be allowed. Fees for the use of facilities will be charged in accordance with item (12) below.
- (7) Use of school buildings and facilities is not available to community groups or individuals for activities (e.g., wedding showers, anniversaries, music recitals, teas, parties) that could be held in commercial establishments.
- (8) Organizations and public groups will not be allowed to submit more than 15 permit requests per year. After all requests have been processed, organizations and public groups may book gyms that remain available.
- (9) Permits may not be transferred or sold to other organizations, groups or individuals.
- (10)
 - (a) Notwithstanding (10) (b), School buildings and facilities will not be made available for activities/programs intended for personal/commercial gain.
 - (b) The superintendent or designate may approve the use of school buildings and facilities for craft sales provided that:
 - (i) the school’s parent advisory council or association has passed a motion to hold or endorse the craft sale and the school principal has approved the craft sale;
 - (ii) the event must sell only crafts made, created or supplied by crafters and cannot be commercially produced products and services;
 - (iii) all event participants must receive prior approval of the school principal;
 - (iv) each school will be permitted one craft sale per school year.
- (11) The board reserves the right to request a financial report from any user group.
