

Women, Substance Use and Gambling

Date: October 5 and 6, 2022

Time: 1 p.m. to 4 p.m.

This course is being offered virtually

Women, Substance Use and Gambling will provide participants with an overview of health determinants and gender differences which may make women vulnerable to developing issues with substance use, as well as the challenges women face when accessing help and participating in a treatment and continuing recovery program. This course also provides participants with the knowledge and skills to enhance their ability to screen long-term recovery.

This course requires 2-3 hours per half day of self-directed learning. Participants must attend both sessions in order to complete the course.

Course dates: October 5 and 6, 2022 – 1 p.m. to 4 p.m.

Registration closes: September 30, 2022 at 4 p.m.
